To Whom it may concern,

This is to certify that Mr. Jay Naresh Dhanwant, 4th year IDD student completed his 2-month long winter internship with DoubtBuddy Education Technology Pvt. Ltd. Starting from 17th November, 2020 to 25th January, 2020 as a "Data Scientist". In his endeavour, Jay worked on multiple full-stack projects utilizing his skills in machine learning and python programming in the domain of computer vision and natural language processing.

Jay is a critical thinker, and has demonstrated exceptional skills in his domain. Furthermore, he is having excellent communication, work ethic and teamwork skills

He would be an asset to any employer and I highly recommend him to any future employer or volunteer organization.
